

Gotham

The late, great author, Washington Irving, began referring to NYC as Gotham in 1807 and the nickname stuck. A fashionable tribute to cultivated society, Gotham is sleek, refined and feathery soft. Offered in lush metallic shades, the surface grain is coated for luster and stamina as though rinsed in spun gold. The elegant tipping glints with refractive beauty, like stargazing under a russet-colored sky; sophistication at its finest.

Hide Origin	USA
Country Finished	Italy
Average Hide Size	50-55 SF
Thickness	1.0-1.2 mm
Dye Method	Aniline
Finish	Spilltop® Water Resistance
Light Fastness (EN ISO 105-B02)	4
