

Kennewick

Located between the mouths of the Yakima and Snake rivers in Washington state, Kennewick was occupied by fur traders during the early gold rush days of America. Forged from the same frontier spirit, Kennewick is marked by finely-textured lines that fan out like tributaries. Dark, distressed and durable, the articles in this collection are finished with a light sheen, and provide refined comfort and contrast to any space.

Inspired by the famed era of fashion and music, Grunge is notable for its unkempt appearance. Our Grunge articles juxtapose vintage and mod fashion in distressed leather that celebrates the rugged characteristics of cowhide.

CARE & CLEANING

Routine dusting or vacuuming is encouraged. To add luster and longevity, rotate article periodically and avoid sunlight or areas that routinely get wet.

For spills, gently blot area immediately with a cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water. Do not dry with a hair dryer. Do not clean with saddle soap, solvents, oils, polishes, varnishes, detergents, bleach or ammonia.
