

Yellowstone

Perched on top of a volcanic hot spot, Yellowstone National Park is known for its dramatic landscapes and untamed animal species. Such is the majesty of our Yellowstone article. The distressed surface suggests strength and movement like shifting tectonic plates. Aniline dyed and vacuum dried, this slim and chiseled full grain leather is available in assorted bedrock shades befitting of wilderness beauty.

Inspired by the famed era of fashion and music, Grunge is notable for its unkempt appearance. Our Grunge articles juxtapose vintage and mod fashion in distressed leather that celebrates the rugged characteristics of cowhide.

CARE & CLEANING

Routine dusting or vacuuming is encouraged. To add luster and longevity, rotate article periodically and avoid sunlight or areas that routinely get wet.

For spills, gently blot area immediately with a cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water. Do not dry with a hair dryer. Do not clean with saddle soap, solvents, oils, polishes, varnishes, detergents, bleach or ammonia.
